Wheeling had all it could do yesterday in defeating the Barnesville, Ohio, club. Heencer says: It was a fine day for ball large audience honored the Wheeling leaguers, eight hundred being in attendance. Good order and good feeling prevailed. The sensational fielding on the part of Gallagher, Thirston and Hardesty saved Mr. Campbell, while the all round work of McGee, Merrisey and Hill and the spiendid pitching of Pastorius were features. McGinnis, a better pitcher than its in the Inter-state league, played first. The umpire was somewhat off, as to base decisions, being mainly against the visitors, though in no case would a reversal have changed the score, except it be that Wagner's two base hit over third, which was called a foul. Stupid base running in the last inning lost the game, Kane relieved Violet after the first inning. The score:

The visitors were the strongest team that visited here this season and drew a large crowd. But for a hone run in the second inning, the visitors would have been shut out. Aside from this they got no farther than first in the game. The game abounded in brilliant plays on both sides, Marjetta playing an errorless game. Taylor and Taylor were in the points for Marjetta, and Best and Matthews for Paris. The same clubs play to-morrow.

If the stomach is sour, and the liver torpid, and the bowels constipated, the skin will show it. No use trying to treat the skin for such a condition. The only way to relieve it is to cleanse the system and purify the blood.
